

4 October 2018

Our reference: CAA5 North

Dear Resident/Business

ROAD RESURFACING – NIGHT WORKS

As part of the Streets Ahead works we are writing to let you know that we are soon to resurface some sections of the main roads in the Chapeltown and Ecclesfield area.

This work is due to start **late October for approximately 1 week** and to help minimise disruption in the area this work will be completed at **night between the hours of 7pm and 7am Monday – Friday only**. Further information about working hours and the section of road is shown below. We apologise for any inconvenience this may cause and any noise you may experience during working hours.

Please note this work will be completed under a road closure and there will be no on-street parking on the roads that we are resurfacing. Vehicles left on-street may be towed away and you will need to pay a fee to have your vehicle released.

Temporary road signs will be displayed five days before work starts, confirming the dates of work and parking restrictions.

If you are away during the period in which the works are scheduled to take place, please avoid parking your car on the road. Our work schedule is heavily dependent on the weather and can be affected by unforeseen circumstances so it may be necessary to change the start date at short notice. We will tow cars that are delaying our works.

Parking and access arrangements

There will be no on-street parking or vehicle access to properties on the roads we are working on, during working hours. Most roads will be open and on-street parking will be as normal at other times. Please let our on-site supervisor know if you need vehicle access to your property for urgent reasons. Pedestrian access and access for emergency vehicles will be available at all times.

Bus service and bin collection changes

Changes to your regular bus service or diversion routes will be publicised by South Yorkshire Passenger Transport (SYPT). Please check your local bus stop or www.travelsouthyorkshire.com for any route changes. You can also call Traveline on 01709 515151 or follow @TravelSYorks on Twitter.

If there are any changes to your bin collection days these will be communicated by Veolia at www.veolia.co.uk/sheffield on Twitter @Recycle4Shef or by calling 0114 273 4567 between 8am and 6pm.

Road Safety

We are working with the Council's Road Safety Team to remind all road users to watch out for others on the road and think about their needs. Please be patient and take extra care during road works. Make sure to allow extra time for your journey. Stick to the designated diversion routes and always drive within the speed limit and to suit the conditions of the road. The difference of a few miles per hour can mean the difference between life and death. Think! Slow down.

Bogus Callers

If you are approached by someone claiming to be from Amey, the Council or connected to the Streets Ahead project offering to resurface your drive please do not handover any money. If possible take the callers details, including their vehicle registration number and we will inform the Police. All Streets Ahead and Amey employees carry identity cards. If you have any doubts about the identity of a person carrying an identity card please call customer services.

Further information

Please visit www.sheffield.gov.uk/streetsahead for further information and updates about local works, you can also follow progress on Twitter @sccstreetsahead #SANorth

If you would like to discuss any issues, please contact us on 0114 273 4567 or email streetsahead@sheffield.gov.uk.

Thank you

We appreciate that any disruption can be frustrating and thank you for your understanding whilst these important works are completed.

Kind regards

Streets Ahead

CAA5 North – Night Road Resurfacing

Our planned work schedule is set out below and gives information about the work that will take place. The specific dates of work for each street will be displayed on the on-street signs five days in advance.

Please note that the schedule is heavily dependent on the weather and can be affected by unforeseen circumstances. It may be necessary to change the schedule at short notice. If this happens, the temporary signs displayed in the area will be updated.

Road Name	Road section	Working Hours
A6135 The Common / Chapeltown Road	In 3 locations: <ul style="list-style-type: none"> • In to city - The Common, from pedestrian crossing point near Aldi to Nether Rd/Mill Rd traffic lights • In to city - from opposite No.19 Chapeltown Rd, across Church St junction to outside No.5 The Common • Out of city – starting 80m before Crakehall Rd up to Crakehall Rd junction 	7pm – 7am
A6135 Ecclesfield Road	In 3 locations: <ul style="list-style-type: none"> • Full width from Crakehall Rd junction to just past service road after school • Full width from No.162 to No. 134 • In to city from just after railway bridge to opposite Park View Rd junction 	7pm – 7am

Notes to minimise disruption:

- The Common/Chapeltown Rd and Ecclesfield Rd will not be closed at the same time.
- Diversion for through traffic will be via Nether Rd/Nether Lane and Cowley Lane to Chapeltown roundabout.
