PLANNING PROPOSALS FOR CONSIDERATION (*Appendix A*)

08/04953/FUL - 2 Hodder Court, Sheffield, S35 2EQ

One objection had been received with regard to the above, a copy of which
had already been sent to the Planning Department by the resident
themselves. It was agreed to support the objection on the following
grounds:-

- Ø Restricted access to their property for maintenance purposes as the
extension would be up to the boundary line.
- Ø Restricted parking due to extension butting up to the parking space.
- Ø Outlook.

It was agreed by the Committee that a letter be sent to the Head of Planning,
Sheffield City Council requesting that a site visit be made and that the
objection be taken into account when making a decision

08/04915/OUT - Site of 2-4 Thompson Hill, Sheffield, S35 4JU

One objection had been received with regard to the above. The residents are
going to write to the Planning Department separately. It was agreed to
support the objection on the following grounds:-

- Ø The proposed erection of 10 apartments would be an overbearing
development, with loss of privacy for the surrounding residents due to
the height of the building.

- Ø The state of the trees on the building site.
- Ø There would be safety issues with regard to parking problems, as the building would be situated on a busy road junction.

**EXAMINATION OF BUDGET, BANKING ARRANGEMENTS & CLERK'S
REPORT**

The Clerk to the Council had produced a report, which was sent to members prior to the meeting. It was suggested that part of the amount of £15,000 which had been earmarked for the Community Liaison Post could be transferred to the grants budget in the sum of £10,000 as the Community Liaison Officer would not be appointed until the New Year.

Staffing costs were less than had been budgeted for, but premises costs were higher than budgeted for.

The Committee expressed concern about bank balance protection due to the current financial climate. Contact had already been made by the office with several banks and building societies to ascertain whether deposit accounts could be opened and at what interest rate we could achieve. Several banks had already sent details to the Council offices regarding new accounts.

RECOMMENDED:-

(Proposed by:- Cllr Mr A Hooper
 Seconded by Cllr Mr G Oxley)

It was agreed that the Chair of the Committee and the Clerk should report to the November Council meeting on courses of action available.

MINUTE NO.59.**APPLICATION FOR FINANCIAL ASSISTANCE****59.1. Grenoside Singers**

Mr Michael Ellis and Mr Alan Walton attended the meeting. Grenoside Singers have been in existence for approximately 18 months, the group was originally the Grenoside Male Voice Choir but now there are new members, both male and female, with approximately 50 members in total.

They requested assistance towards the purchase of new pieces of music. Music copies range from £1.50 to £3.50 each, they would require about 60 choir copies and therefore each set costs approximately £150.00. In a concert of any size they would perform about 16 pieces of music per event. The members of the choir contribute £45.00 per year subscriptions. Funds currently held are earmarked for payment for the musical director, accompanists' costs and rehearsal hall fees.

RECOMMENDED:-

(Proposed by:- Cllr Mr N Garratt
 Seconded by:- Cllr Ms V M Bowden)

That a grant of £400 be made to the group for the purchase of two sets of music.

59.2. Stomp Club

Michelle Ward who is the Manager of the Stomp Club attended the meeting to request assistance towards artist fees and materials. Stomp Club provides breakfast clubs, mother and toddler group, after school and holiday clubs, social support, room hire and children's parties. She explained that she would like to set up an art class for 2 different age groups 4-7 (10 children) and 8 upwards (15 children) running in the October Play scheme and expanding into the after school club. She is currently working with a local artist Joanne Jenkins. She had brought along some of the paintings that the children had produced and also her two daughters who were members of the group. Michelle Ward said that she is going to approach the Arts Council for funding next year.

RECOMMENDED UNANIMOUSLY:- (Proposed by:- Cllr Ms V M Bowden
 Seconded by:- Cllr Mrs D Fearnley)

That a grant of £250.00 be made for the purchase of art materials subject to the Council having sight of the invoices for the purchase of such items.

59.3. Angram Bank Events - Bluebell Wood Tea Party

Mr Robert Bratherton and Mrs Dorothy Kirk attended the meeting to request approximately £300 assistance towards organising the Bluebell Wood Tea Party. The money would be put towards the cost of hire of the hall, security, posters and sweets and crisps for the children attending the event. Mr Bratherton reported that there would be several groups coming to

the event to provide entertainment – Irish Dancers, Shadows Life Story, Glen Miller Tribute Band and children’s groups.

There would be no entrance fee charged but raffle tickets would be sold on the door with all proceeds going to Bluebell Wood. As this was the first time an event of this sort had been organised there would be no idea of numbers who would be attending the event.

RECOMMENDED:-

(Proposed by:- Mr S Bower

Seconded by:- Mr G Weatherall)

That as no benefit would accrue to people in the Parish no grant should be given towards the cost of this event.

Cllr Mrs D Fearnley abstained from voting on this item.
