<p><u>MINUTE NO.1.</u> <u>TO RECEIVE APOLOGIES FOR ABSENCES</u> Cllrs Mr C Taylor and Mr B Curran sent apologies for absence</p>	
<p><u>MINUTE NO.2.</u> <u>TO RECEIVE AN UPDATE ON THE PRESENT POSITION FROM MR MICHAEL LONGDEN OF THE COUNCIL'S SOLICITORS</u> Mr Michael Longden gave a report on the history of this charity and the need for much legal work to be carried out in order to separate the interest from the Old School Charity from which it was developed. A report from Ms Jennifer Kirkhope informed the meeting that whilst the level of fees now in connection with this particular transaction i.e. the sale of the freeholds was now running at £11,000 it had been agreed by the firm to cap the rechargeable costs at £6,000 plus disbursements which total approximately £400 to date. Mr Longden informed the meeting that the trustee forms could be signed to sell the freeholds to the owners of the properties on Cupola Lane for the sum of £22,500. The meeting noted that this sum, less legal costs and disbursements would accrue to the Charity.</p> <p>Mr Hopkins from the residents group mentioned that the Charity would also be paying the costs of removing the Headlease in this connection. The Clerk to the Parish Council informed the meeting that he would have to research this as it was not known whether this had been agreed at all by the Charity Trustees.</p> <p>Cllrs House and Garratt signed the Transfer forms and these were taken by the solicitors Mr Longden and Ms Kirkhope for completion of the legal formalities.</p> <p><u>RESOLVED</u> (Proposed by Cllr Mr N Garratt Seconded by Cllr Mr J Jones) That the draft minute received from the Council's solicitor and information received be accepted by this committee:-</p> <p style="text-align: center;">GRENOSIDE EXHIBITION FOUNDATION Charity Registration No. 529453 Minutes of a Meeting of Trustees at the Council Offices on 3rd June 2010</p> <p>Ecclesfield Parish Council is a local government statutory corporation its elected members whose principal address is Council</p>	

Offices, Mortomley Lane, High Green, Sheffield S35 3HS ("Council Offices") and is the trustees ("Trustees") of the Grenoside Exhibition Foundation ("the Charity"), a registered charity (No. 529453) established by a scheme dated 26th March 1895 and as amended on 27th April 1934 and 4th October 2007.

This is a record of a meeting of the Trustees to consider dispositions by sale of the Charity's interests in the land at 4,6,8,10,12A, 14A,16A and 18 Cupola Lane, Grenoside within the parish of Ecclesfield in the City of Sheffield ("the Dispositions").

The Trustees considered:

- The transfer documentation in respect of the proposed Dispositions ("the Transfer Documentation"), and
- The report of the District Valuer concerning the proposed Dispositions,

The Trustees confirmed that so far as they are aware that the proposed Dispositions if made were to be made to persons none of whom are;

- A connected person (as defined in Schedule 5 to the Charities Act 1993), OR
- A trustee for, or nominee of, a connected person.

The Trustees noted that they have;

- Obtained and considered a written report on the proposed Dispositions from an appropriately qualified surveyor instructed by the Trustees and acting exclusively for the Charity,
- Have been advised by their surveyor that it would not be in the best interests of the charity to advertise the proposed Dispositions since it would serve no useful purpose to do so, and

The Trustees accordingly decided that they are satisfied, having considered the surveyor's report that;

- The terms on which the Dispositions are proposed to be made are the best that can reasonably be obtained for the Charity,
- It is proper under the provisions of Part V of the Charities Act 1993 for the Trustees to enter into the Dispositions on the terms set out in the Transfer Documentation, and
- The Charity should make the Dispositions accordingly and authorised the Trustees Cllr Mr Norman Garratt and Cllr Mr Howard House to execute the Transfer Documentation as deeds for and on behalf of the Charity.

The roadway is a shared driveway, which is maintained by all the owners on a regular basis. <p>The Committee requested that the Clerk write to the Head of Planning at Sheffield City Council stating these objections.</p> <p><u>10/01751/FUL – 62 Park View Road, Chapeltown, Sheffield S35 1WL</u> The Committee had not received any objections to the above planning application, however they did feel that the development being a three storey property would be overbearing to surrounding properties which are only two storey properties. They felt that it would also cause problems with loss of light to surrounding properties.</p> <p><u>10/01747/CHU – Land at rear of 30 Eagleton Drive, Sheffield</u> The Committee had not received any objections to the above change of use but there were three comments on the City Council website. <p><u>MINUTE NO.14.</u> <u>TO IDENTIFY ANY ITEMS FOR DISCUSSION WHICH MAY REQUIRE THE EXCLUSION OF PRESS AND PUBLIC</u> There were none identified.</p>	
<p><u>MINUTE NO.16.</u> <u>APPOINTMENT OF VICE CHAIRMAN OF THIS COMMITTEE RESOLVED</u> (Proposed by Cllr Mr N Garratt Seconded by Cllr Mr H House) That Cllr Mr C Taylor be appointed as Vice Chairman of this committee.</p>	
<p><u>MINUTE NO.16.</u> <u>FINANCIAL REPORTS</u> The Clerk's reports were received.</p>	
<p><u>MINUTE NO.17.</u> <u>APPLICATION FOR FINANCIAL ASSISTANCE</u> <u>17.1. High Hopes – Annual High Green Fun Day</u></p> <p>Cllr Mrs D Fearnley declared an interest in this matter and left the room when a decision regarding a grant was made.</p> <p>Members noted the great recreational value of this annual event and certainly the value gained by the younger members of the community. Members considered the financial position of the group and were of the opinion that financial assistance should be given.</p>	

<p><u>RECOMMENDED UNANIMOUSLY</u> (Proposed by Cllr Mr S Bower Seconded by Cllr Mr N Garratt) That a grant of £1,000 be made in response to this request.</p> <p><u>17.2. Aijukwon Dojo</u> Two members of the group attended the meeting and gave information about their group. They had just commenced meetings in the High Green Miners Welfare Hall. Members noted that whilst very few had attended the first event that this group held, it was hoped that the numbers would build up very quickly once the local community were aware of its existence.</p> <p><u>RECOMMENDED UNANIMOUSLY</u> (Proposed by Cllr Mr A Hooper Seconded by Cllr Mr N Garratt) That a grant of £500 be made in response to this request and that if the numbers were seen to be increasing and the event seemed to be becoming of great recreational value then a further application for financial assistance from the group would be considered by the committee.</p> <p><u>17.3. Lound Junior School Gardening Club</u> A member of the club attended and gave details of the excellent recreational and educational value received by the children of Lound Junior School in connection with this after-school activity. Members noted that grants had already been received from the Northern Community Assembly for the planters but additional funds were required to fill the planters and carry out other works in the gardening area.</p> <p><u>RECOMMENDED UNANIMOUSLY</u> (Proposed by Cllr Mr A Hooper Seconded by Cllr Mr C Taylor) That a grant of £500 be made in response to this request.</p>

<p>any progress being made in connection with an outline plan of development at the playing fields at High Green which had been submitted some 6 months ago to the City Council. The members were dismayed to discover that these plans had been submitted to the City Council in conjunction with the High Green Development Trust without the involvement of the Parish Council or Northern Community Assembly. It was agreed that whilst these plans were only a starting point for development, it was most disappointing that neither the Parish Council nor the Northern Community Assembly had input into the preparation or consideration, prior to being submitted to the City Council.</p> <p>Members noted that if the Northern Community Assembly and the Parish Council were to have any meaningful input to developments at High Green, it was vital that they should be involved at an early stage of any plans submitted to the City Council.</p> <p><u>RECOMMENDED UNANIMOUSLY</u> (Proposed by Cllr Mr S Bower Seconded by Cllr Mr G Oxley)</p> <p>1) That the City Council be informed of the Parish Council's disquiet regarding this situation and that the City Council now be requested to arrange for consultation on the plans as a matter of great urgency. 2) That the Parish Council should appoint two representatives to sit on the steering group regarding the Thorncliffe Park recreational project.</p>	<p>Urgent letter to be sent</p> <p>Place on July Council agenda</p>

- 1) That the building be marketed immediately
- 2) That the security fencing be placed around the building as soon as possible
- 3) That the building be subject to planning permission being obtained by the purchaser
- 4) That the next meeting of the Council would decide on the exact utilization of the proceeds for the benefit of the High Green community.
