Dear Sirs,

Re - Householder Application for Planning Permission

Planning Portal Reference: PP-06680850 - Application for the removal of the flat roof which is covering the existing first floor side extension, raise the external extension walls and the formation of a new pitched roof over the extension.

**At: 13 Weavers Close Grenoside, Sheffield S35 8RH
For: Mr David Bell.**

I refer to the above electronic planning application submitted on Friday 19th January 2018. I note the application fee of £206.00 was not paid at the time the application was submitted and therefore now attach my cheque in the sum of £206.00 in settlement of this outstanding account.

I was unsure whether I should have attached a copy of the Town and Country Planning (Development Management Procedure) (England) Order 2015 NOTICE UNDER ARTICLE 13 OF APPLICATION FOR PLANNING PERMISSION which I sent to my wife in December. However for completeness, I am now attaching a copy with this letter. If you do not require a copy of this notice, please destroy the document.

I should now be grateful if you would kindly acknowledge receipt of my cheque and that my submitted application will now be processed.

Please contact me should you require any further information in respect of this application.

Many thanks for your assistance in this matter.

Yours faithfully

David C Bell
