Dear Abby Hartley,

I refer to your today's email.

For clarification we have attached following drawings:

017-A Proposed Sections A-A and B-B
018-A Existing Side elevation view from 67 Worrall Road
019-A Proposed Side elevation view from 67 Worrall Road

DWG 017 shows on section B-B the side elevation of the proposed side extension.
DWG 018 shows the view from 67 Worrall Road (Outline section through 67 Worrall Road)
DWG 019 shows the proposed view from 67 Worrall Road.

As the proposed side extension of 69 Worrall Road is in line with the existing building of 67 Worrall Road existing and proposed side elevation (018/019) are identical.
Section B-B of drawing 017 shows the side elevation.

We trust the given information and additional provided drawings will now enable you to register the application.

If you have any further questions do not hesitate to contact me directly.

Yours faithfully,

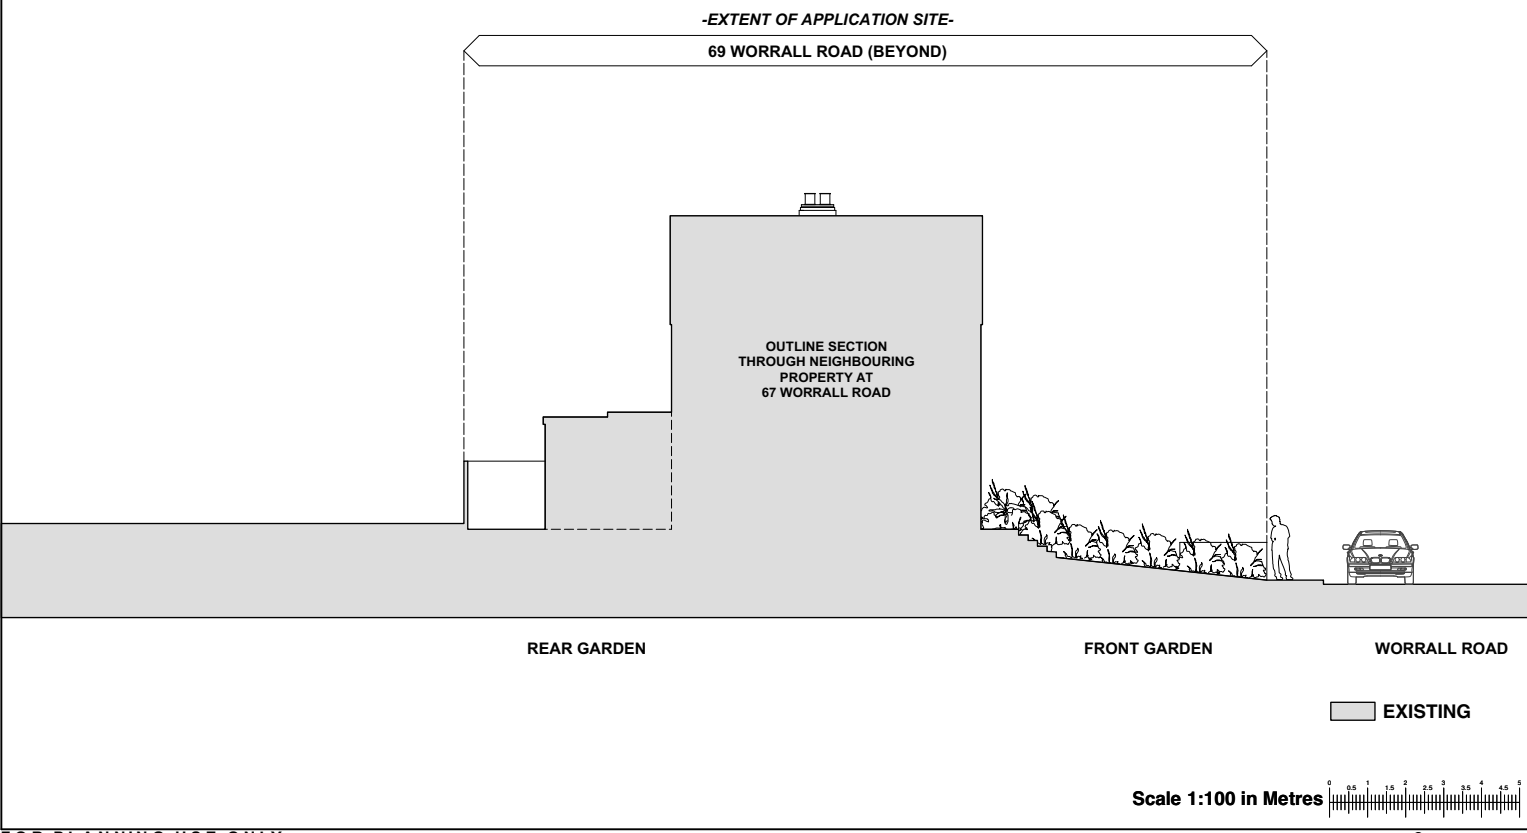

ARMIN WALTER GANGULY-HIEBERT RIBA
