## ***A message from the Chairman Cllr Jonathan Jones***

Dear Parishioners,

Your Parish Councillors promote the Parish in their links with Sheffield City Council Departments, government bodies, the business community and we also attend North Area Panel meetings. One of our main aims is to encourage business to relocate within the area to increase employment prospects, especially for our young people. Meetings are held with the Police on a regular basis to discuss any local concerns raised by Parishioners. We are pleased to be involved in the North Area Regeneration Partnership which is working to bring Objective 1 European funding into the area. This will be of benefit to the local community by creating jobs, training opportunities and improvements to the environment. All Councillors continue to work many unpaid hours on your behalf throughout the year so that you can be assured the whole precept is fully utilised for your benefit.

## ***Committees***

### ***Finance & Premises Committee - Chairman Cllr D. Pepper***

Monthly meetings are held to receive applications for grants from a wide variety of groups within the Parish. Each application is given fair consideration and representatives of groups are invited to meet the committee following compliance with the grant conditions. We continue to support Chapeltown Baths for the benefit of the local community and urge Parishioners to use and support this facility.

### ***Environmental Planning Committee - Chairman Cllr J. Fox***

Meetings are held twice a month to examine the many planning applications received via the City Council for the Parish area and to consider their impact on employment and the local environment. Plans may be inspected at the Parish Council offices by appointment between 9 am—12 noon Monday—Friday. Plans can also be viewed on-line by going to [www.sheffield.gov.uk](http://www.sheffield.gov.uk) and then following the link to *Planning Applications on-line*.
