A Message from the Chairman (Cllr J T K Jones)

It has been an honour and a great privilege to serve as Chairman of Ecclesfield Parish council during the last 12 months. The tenure of the existing Council expires in May when the elections will be held. I would like to take this opportunity to thank the existing councillors for their many hours of unpaid work dealing with many issues on your behalf. I would also like to place on record my thanks for the hard work and dedication that the Council has received from its staff. The Parish Council continues to have strong links with Sheffield City Council, the North Area Panel, North Area Regeneration Partnership, South Yorkshire Police and as in previous years we have invited representatives to attend meetings to discuss matters of local interest.

COMMITTEES OF THE COUNCIL

Finance & Premises Committee

Monthly meetings are held to receive applications for grants from a wide variety of groups within the Parish. Each application is given fair consideration and representatives of groups are invited to meet the committee to support their application. We continue to support Chapelton Baths for the benefit of the local community and urge Parishioners to use and support this facility.

The Parish Council has supported initiatives such as the Yorkshire in Bloom event and we hope everyone will enjoy the results of all the hard work undertaken in the villages in the Parish. £35,000 has been allowed for grants in the forthcoming year and applications will, as usual, be considered following compliance with the grant conditions.

Environmental Planning Committee

Meetings are held twice a month to examine the many planning applications received via the City Council for the Parish area and to consider their impact on employment and the local environment. Plans may be inspected at the Parish Council offices by appointment between 9 am—12 noon Monday—Friday. Plans can also be viewed on-line by going to www.sheffield.gov.uk and then following the link to Planning Applications on-line. In addition the Parish Council monitors all licensing applications in the Parish.
