A Message from the Chairman, Cllr Mr Howard House

It's now approaching the time of the year when I hand over the chain of office to my successor and relinquish my Chairman's duties. I would like to thank all my fellow Councillors for having faith in me to carry out the task, my wife Sue and the office staff who have worked tirelessly to help me through a very busy but enjoyable year as Chairman.

It is such a privilege to have had the opportunity to meet such a lot of lovely and interesting people and been involved in many initiatives such as our co-operation with the Northern Community Assembly and other influential agencies, with the clear intention of benefiting our local parish area.

All Parish Councillors work on a voluntary basis to interact with residents in the parish. This is an enjoyable but very time consuming duty and with that in mind the Councillors and staff are regularly updating and improving the new Parish Council website which you need to visit for us all to benefit from the contact.

COMMITTEES OF THE COUNCIL

Finance & Premises Committee

The Finance & Premises Committee is responsible for monitoring the financial management of the Council and making prudent recommendations to the Council about financial matters. It is also responsible for recommending grants to local groups who are the very lifeblood of our community and who provide invaluable services to residents of the Parish. Most are run entirely by volunteers. They work with the very young through to the very old and represent the arts, sports, health and community cohesion. In the financial year 2010/2011 the grants budget is £60,000 which will deliver real benefits to our Parish.

Environmental Planning Committee

Meetings are held twice a month to examine the many planning applications received via the City Council for the Parish area and to consider their impact on the local environment. The Committee always pays attention to residents' concerns, and wherever possible supports objections to plans which adversely affect the area. Plans may be inspected at the Parish Council offices by appointment between 9 am—12 noon Monday—Friday. Plans can also be viewed on-line by going to www.sheffield.gov.uk and then following the link to Planning Applications on-line. In addition the Parish Council monitors all licensing applications in the Parish.

COMMUNITY ROOM
FOR HIRE

Situated to the rear of the Council offices at High Green available for hire to local groups – please contact us for details Tel. 0114 284 5095

Our website has been changed over the last year and is more user friendly. Local events appear on the home page and these are updated on a daily basis. If you have a community non-profit event that you would like advertised please contact us for inclusion on the website. Parish walks can also be downloaded from the site.
