Subject: Sheffield Bus Service Changes from April/May 2017

Date: Wed, 22 Mar 2017 16:16

Attachments: Bus Service Changes April May 2017.xls (70K)

Dear Colleague

Re: Changes to Sheffield Bus Services in April/May 2017

I am writing to advise you that the Sheffield bus network will have some changes from April/May 2017. These changes have primarily been made to address reliability issues, and as a result of highway works affecting the route.

Please find attached a spreadsheet containing a full list of service changes for South Yorkshire, based on service registrations for your information.

What is changing in Sheffield

A summary of the notable changes in Sheffield is listed below but I have also attached a full list for your information.

From 30 April 2017:

- **Sheffield Community Transport Service S6**

Service S6 will no longer operate. This is a commercial cancellation by the operator. Alternative buses are available on services 31, 31a, 52a, 62 and 62.

From 8 May 2017:

- **First/Stagecoach Service 1/1a – High Green – City-Norton/Jordanthorpe**
First/Stagecoach Services 7/8/8a – Ecclesfield – City – Crystal Peaks and
First Service X1 - Sheffield – Rotherham – Maltby

The above services will all use Flat Street instead of Arundel Gate due to Bridge repair works closing two bus stops.

How is this being communicated to customers?

Details will be available shortly at travelsouthyorkshire.com and timetable information will be displayed at all affected bus stops.

As always we welcome feedback from MPs and councillors on any of these service changes and are happy to provide further information if required.

It would be appreciated if you could help us to make as many people as possible aware of these changes.

Kind regards

Rachel Cowling
