Dear Colleague

Re: Sheffield Bus Services Changes - from 1 September

I am writing to advise you of the Sheffield bus service changes from 1 September 2018.

What is changing in Sheffield?

A summary of the notable changes in Sheffield is listed below:

- Reintroduction of pre-summer timetables
- First service 1a will run between Herdings and Chapeltown only Monday to Saturday daytime due to falling patronage numbers. Stagecoach service 1 will continue to provide a service every 12 minutes in High Green.
- Service 2 will be rerouted in Sheffield City Centre to also serve Sheffield Rail and Bus stations following customer requests
- Service 50/50a/50b will operate limited stop following consultation with users to provide a quicker journey time for Mosborough and Frechville
- Service 52 will run between Woodhouse and Crookes only Monday to Saturday daytime due to falling patronage numbers. First service 52a will continue to provide a service every 10 minutes in Hillsborough.
- Service 61/62 will no longer operate beyond Hillsborough. No change to the Hillsborough-Bradfield end of the service.
- Service 88 will be amended in Ecclesfield due to on-going complaints about the current terminus. The service will also no longer serve Smithy Wood Industrial Estate due to very low demand.

The attached spreadsheet contains a full list of service changes for South Yorkshire, based on service registrations for your information.

How is this being communicated to customers?

Details and new timetables will be available on our website by approximately four weeks before the changes come into effect at <http://www.travelsouthyorkshire.com/Servicechanges/>. Timetable information will also be displayed on all affected bus stops ahead of the changes.

It would be appreciated if you could help us to make as many people as possible aware of these changes.

If you have any questions or require any further information in the meantime please get in touch.

Kind regards,

Sophie Guest
