Sheffield Information Link (SIL) has always provided free, up to date and accurate information on childcare, services and activities for children. But now, we're offering even more by expanding the age range we support to 19. This means we'll be able to help parents and carers support their families for longer.

We have a comprehensive database on a range of services including:

- Childcare and playcare
- Childcare training
- Education
- Family support
- Children's health
- Childcare job vacancies
- Sports and leisure
- Special needs support
