The dog came third.

Sadly, there was no plaque on it.

I have never owned or used a telescope in my life.

It's something I'm thinking of looking into.

You should've seen her face when I cycled pasta.

A tub of margarine fell on my foot three weeks ago and it still hurts.

I can't believe it's not better.

Read: Mr Nobody by Anonymous

I know a funny little man,
As quiet as a mouse,
Who does the mischief that is done
In everybody's house!
There's no one ever sees his face,
And yet we all agree
That every plate we break was cracked
By Mr. Nobody.

'Tis he who always tears out books,
Who leaves the door ajar,
He pulls the buttons from our shirts,
And scatters pins afar;
That squeaking door will always squeak,
For prithee, don't you see,
We leave the oiling to be done
By Mr. Nobody.

He puts damp wood upon the fire
That kettles cannot boil;
His are the feet that bring in mud,
And all the carpets soil.
The papers always are mislaid;
Who had them last, but he?
There's no one tosses them about
But Mr. Nobody.

The finger marks upon the door
By none of us are made;
We never leave the blinds unclosed,
To let the curtains fade.
The ink we never spill; the boots
That lying round you see
Are not our boots,—they all belong
To Mr. Nobody.

Through three cheese trees three free fleas flew.
While these fleas flew, freezy breeze blew.
Freezy breeze made these three trees freeze.
Freezy trees made these trees' cheese freeze.
That's what made these three free fleas sneeze.

As he gobbled the cakes on his plate,
the greedy ape said as he ate,
the greener green grapes are,
the keener keen apes are
to gobble green grape cakes.
They're great!
