Serving the Community since 1894

LONE WORKING POLICY

1. Statement of Policy

Ecclesfield Parish Council will take every practicable step to protect the health, safety and welfare of its employees and Councillors whenever they are required by the nature of their duties to work alone and without direct support and supervision.

The Council's employees are expected to work alone and for some staff lone working is the norm. Whilst working alone is not in itself unsafe there may be circumstances where working alone can increase risks. The Council recognises that there may be increased risks to staff who are required to work alone. The implementation of this policy should help to reduce these risks.

The policy applies to employees and Councillors and for the purposes of this policy lone working is defined as any activity or function performed on behalf of the Council without any close supervision or with other employees.

2. Organisation and Arrangements

Ecclesfield Parish Council is responsible for:

- The lone working arrangements of employees.
- Determining the contents of this policy.
- Ensuring that there are arrangements for identifying, evaluating and managing risk associated with lone working.
- Ensuring compliance with the policy and providing resources for putting the policy into practice.
- Making sure that employees and Councillors are aware of this policy.
- Making sure that appropriate support is given to employees and Councillors involved in any incident.

3. The Clerk to the Council is responsible for:

- Making sure that risk assessments are carried out and reviewed regularly.
- Reporting annually to the Full Council on any incidents and actions taken in response.

4. All officers and Councillors engaged in lone working are responsible for: -

- Taking reasonable care of themselves and other people who may be affected by their actions.
- Follow all rules and regulations laid down by the Parish Council.
- Report all incidents that may affect the health and safety of themselves or others.
- Taking part in training designed to meet the requirements of this policy.
- Report any dangers they identify or any concerns they might have.
- Note details of their lone working time.
- Recognise and assess potentially high-risk activities before carrying out any work activity and put in place appropriate arrangements to carry out the identified task safely to mitigate risk associated with working alone.
- In addition, and if appropriate, complete a form detailing visits from aggressive or potentially violent people. Any such forms or reports should be provided to the Chairman for appropriate action to be taken.

5. Lone Worker Guidance

- Should avoid meeting with or allowing people into the Council offices they are unfamiliar with or uncomfortable with.
- Use the CCTV and intercom systems to communicate with visitors to Council Offices wherever possible.
- Lone workers must carry their mobile telephone.
- Employees and Councillors must take reasonable care not to put themselves at undue risk. If they feel that they would be at particular risk unless additional precautions are taken, then they should discuss this with the Chairman.
- Try to avoid confrontation. If a situation does become heated, try to stay calm. If violence is threatened it is best to withdraw.
- If an officer suspects that a violent attack is imminent it may be possible to use a mobile telephone to summon assistance (e.g. 999 for the police). Heated arguments can suddenly escalate to the point at which violence is used and in practice there may be little time to call for help.
- Ensure that you are properly trained and have the skills and knowledge to do your job safely and without risks to health. If you feel that you need extra training, then discuss this with the Chairman.
- Try to avoid entering unattended sites or premises.
- The Clerk will must be available to members of the public during agreed hours (by appointment) at the designated address or alternatively at other accessible premise designated by the Council.
