He stated that normally some of these would have been presented earlier but this had been delayed for various reasons including sickness, and delays in the appointment of key staff. He explained that it had been drawn to his attention by the Chairman of the Finance and Premises Committee and others that there were some minor technical issues with some of the coding of some of the payments; these would be addressed and did not, however, affect the overall balances or reconciliation. The Chairman congratulated and thanked the Council staff, especially the Administration Officer, for their dedication and efforts in undertaking this update.</p> <p>Proposed by Councillor David Ogle and Seconded by Councillor Victoria Bowden, and RESOLVED: That subject to the minor technical changes highlighted above being made, the cashbook, account/bank reconciliation and management accounts for: -</p> <ol style="list-style-type: none"> 1. <p><u>2020/076</u> <u>(F&P)</u></p>	<p><u>76: Challenge to Council's accounts for 2019/2020</u></p>

	<p>The Clerk led on this. He explained that, as reported to the Full Council at its meeting of 3 December 2020, the Council had been notified by SBA, its external auditor, that the Council's accounts for 2019/2020 had been the subject of a challenge by a parishioner. In response to this, Full Council had resolved that the Finance and Premises Committee establish a small task group from members of the Finance and Premises Committee and officers of the Council to lead the investigation, report on and resolve the challenge to the Council's accounts for 2019/2020.</p> <p>Proposed by Councillor John Housley and Seconded by Councillor Victoria Bowden, and RESOLVED: That Councillor Kate Guest, Councillor John Brownrigg, and Councillor David Ogle, with the support of the Clerk, form a sub-committee to investigate, report on, and resolve the challenge to the Council's accounts for 2019/2020 and that Councillor Kate Guest should be its Chairman.</p> <p style="text-align: right;">(5 in favour)</p>

<p><u>2020/078</u> <u>(F&P)</u></p>	<p><u>78: Community Infrastructure Levy</u></p> <p>The Clerk reported that following the Council's decision to spend its share of any CIL receipts, which he anticipated to be about £8,500 for the financial year 2020/21, on improvements to parks and play equipment in the Parish, he had written to all Councillors seeking their thoughts on spending proposals. The proposals were then outlined.</p> <p>This included a detailed proposal the Council had received in respect of improvements to Charlton Brook open space. This multi-agency project led by Sheffield City Council would see, amongst other things, the refurbishment of the BMX track and provision of litter bins/seats and other minor improvements. They were seeking £4,270 for the Parish Council's share of CIL but added that this would still leave a shortfall of about of £5,270 in the overall project cost of about £20,000.</p> <p>Councillor Alan Hooper (attending as a member of the public) stated there was a possibility that the Council would receive an additional CIL payment from Sheffield City Council this financial year.</p> <p>Proposed by Councillor David Ogle and Seconded by Councillor John Housley, and RESOLVED: That: -</p> <ol style="list-style-type: none"> 1. It is recommended to Council that £4,270 from the CIL receipts for the financial year 2020/21 be allocated to the Charlton Brook Open Space project being led by Sheffield City Council. 2. <p><u>2020/079</u> <u>(F&P)</u></p>	<p><u>79: To consider a proposal to create an Ecclesfield Parish COVID Recovery Fund (major grant programme) for the Financial Year 2021/22</u></p> <p>The Clerk led on this. He explained that COVID has had a devastating effect on the economy and well-being of Ecclesfield and the whole country. This included that the Council had been unable to deliver its normal range of services and this has had a consequent effect on the budget and spending profile. Following discussions, he was proposing that: -</p> <ul style="list-style-type: none"> • The Parish Council creates a fund to be known as ‘The Ecclesfield Parish Council Covid Recovery Fund’, in line with its statutory powers. • That at least £25,000 is allocated to the fund for the financial year 2021/22 for major grants. • The Council reserves the right to increase the amount allocated to this fund after taking account of the needs of the other aspects of the Council’s commitments and aspirations for the financial year 2021/22. • If agreed in principle, the Clerk would develop detailed policies and procedures for the Fund’s operation before its commencement in April 2021 for consideration by the Council. <p>Proposed by Councillor John Housley and Seconded by Councillor David Ogle, and RESOLVED: That it is recommended to Council that:</p> <ol style="list-style-type: none"> 1. <p><u>2020/080</u> <u>(F&P)</u></p>	<p><u>80: Notice Board Improvements</u></p> <p>The Clerk gave an overview of the progress of the review. He explained that the various comments received from Councillors for improvements and enhancements had been collated and mapped. The intention was to invite all Councillors to view these for consideration before they came next to the Finance and Premises Committee. He also explained that he intended to include a specific budget heading for this activity in the draft Council budget for the next financial year.</p>
<p><u>2020/081</u> <u>(F&P)</u></p>	<p><u>81: Council’s Information Technology Systems, including emails</u></p> <p>The Clerk gave a verbal report on progress with the necessary improvements. He explained that these were progressing well.</p> <p>A discussion then took place on the Council’s email system. It was noted that the Council was using both Gmail and outlook systems. It was agreed that it would be more efficient if the Council moved to have a single email system.</p> <p>Proposed by Councillor John Brownrigg and Seconded by Councillor Victoria Bowden, and RESOLVED: That the Councils’ preferred email provider and the system is Microsoft Outlook, and this should be actioned as soon as possible.</p> <p style="text-align: right;">(5 in favour)</p>
