Good Morning

Thank you for your email

We do have visits to the local areas in Chapeltown.

We will try and get further visits to the areas when possible but due to resources we wouldn't be able to visit on a regular basis as we have other areas to also cover.

We can enforce vehicles parked illegally on footpaths covered with restrictions such as yellow lines and assist in enforcing these vehicles.

If the vehicles are parked on the footpaths with no restrictions then unfortunately we are unable to assist to enforce.

If the vehicles are not covered by restrictions then I would recommend contacting the Police on the non – emergency number 101 as they are able to deal with obstruction.

Please don't hesitate to contact us if you have any further issues or queries.

Kind Regards

Lynne
