NORTH SHEFFIELD COVID PANDEMIC 2020 MONUMENT OPENING

Sat 9th April 2022 at 12 noon

- ❖ Together with Ecclesfield Parish Council, we have been fundraising for this since the Pandemic began. Thank you to everyone who has donated and to our local schools for their designs and painted pebbles. A big thank you also to Andrew Vickers of Stoneface for creating this beautiful sculpture.
- ❖ A flower garland (instead of plastic tape) will be cut by two local NHS workers at 12 noon and we will be serving free fizzy drinks to celebrate.
- ❖ **Everyone welcome** – the monument is just a stone's throw away from the bandstand.
- ❖ “We all came together as the world stayed apart. Now we sit side by side and remember”.
