(EPDG)

There were no members of the public present.

2021/39 **Item 39. Planning applications for consultation**
(EPDG)

5 planning applications were considered (these are shown at Appendix 1).

The Committee determined that it had no objections or comments to make on three of them but objects to the following two:

- 22/01261/FUL (44 Thornbrook Gardens, Sheffield, S35 2BA) – That the Council supports the neighbour's concerns that the proposed extension is of excessive depth and height adversely affecting the visual outlook and amenity of the occupiers of the adjacent residential property. We also request that Sheffield City Council's Planning Committee undertake a site visit prior to any formal planning decision being made.
- 22/01216/FUL (Cowley Manor Cottage, 212A Cowley Lane, Sheffield, S35 1RY) – That the Council supports the neighbour's objections and the comments made by Sheffield City Council's Urban Design and Conservation Officer. The proposal would have a detrimental effect on the character and appearance of the building. We also request that Sheffield City Council's Planning Committee undertake a site visit prior to any formal planning decision being made.
