5. What is the purpose of your group what difference do you make and how do you meet the needs of your community?

We provide access to environmentally based activities, open spaces and a range of adventurous activities to young people from community groups such as Scouts, Girl guides and schools which enables them to benefit physically, and mentally while undertaking team-based activities in the outdoors.

6. What activity will you put on or project will you undertake if we give you a grant and when will this take place?

Our previous application resulted in a Grant of £1,500 towards buying a Steel Shipping Container for Storage. Unfortunately, the cost of these have raised significantly and we are therefore unable to afford one. We would therefore like to request permission to change the use of the funds.

We would like to use the £1,500 already received towards installing a further rotating CCTV camera and laser beam connected to the alarm system as we have had further break ins and vandalism.

7. Does your group receive funding from anywhere else? Please state who this is from and the amount of funding

Hesley Wood Activity Centre is operated by South Yorkshire County Scout Council and as such is supported through membership fees paid into Scouting across the County. Hesley Wood is intended to be financially self-supporting and SYCSC provide financial support where this is not possible and therefore it is not possible to state a specific amount. We also seek funding from other funders for various specific projects throughout the year.

8. Please give us a breakdown of what you want the funding to pay for :-
