24 (EPDG) Item 24. Public Participation Session

None.

25 (EPDG) Item 25. Planning applications for consultation

5 planning applications were considered (these are shown at Appendix 1).

The Committee determined that it had no objections or comments to make on these planning applications except for:

- 22/03132/TEL – Land at the junction of Vicarage Close/Main Street, Vicarage Close, Grenoside, Sheffield, S35 8SH. Erection of 17m monopole, supporting 6no. antennas, 1no. wraparound equipment cabinet at the base of monopole, 2no. equipment cabinets, 1no. meter cabinet and ancillary development (Application to determine if prior approval required for siting and appearance). The Committee are in support of this planning application but have some concerns which are listed below.
- It is not a suitable site for the installation.
- It would result in unacceptable harm to the character and appearance of the surrounding area, especially due to its height and visually prominent location.
- They should consider looking for a more suitable site.
- There are factual errors with the planning documents received. Grenoside has been spelt wrong. The address on the pre consultation is wrong. It is in Grenoside not Ecclesfield, for example.
- While we acknowledge the economic and social benefits of the proposal, notably the enhancement of the telecommunications network, these would not outweigh the significant harm it would cause

All comments will be sent to Sheffield City Council.

<u>26 (EPDG)</u>	<u>26. To receive notifications of any planning decision notices received in to Ecclesfield Parish Council from Sheffield City Council (These are shown at Appendix 2).</u> These were noted by the Committee.
