New Multi-Use Games Area [MUGA]  
Consultation

Sheffield City Council are working in partnership with the Football Foundation on the new PlayZones Programme, and we need your input!

This is an exciting new project looking at renovating old Multi-Use Games Areas [MUGAs] into PlayZones and building new PlayZones from scratch. This project aims to tackle inequalities in physical activity and provide access to high-quality community facilities in local, accessible spaces. We are looking to find out more about how people feel about this proposal and learn what needs to be included in the project to make it work for your local area.

Following on from the recent developments in Ecclesfield Park, we are interested to hear how local people feel about transforming the area next to the new tennis courts into a PlayZone. This consultation will share further information about the proposal has a questionnaire to capture feedback and ideas.

To share your thoughts please complete our online survey by scanning the QR code or by going to:
