The King's Coronation Celebrations

To celebrate the King's Coronation we joined in the 'Big Lunch' celebrations on Sunday 7th May and held a plethora of activities in Mortomley Park, High Green. We had free activities for children including bouncy castles, face painting, fancy dress parades and garden games. We held competitions galore, with a Coronation bake off, fancy dress and Tug of War for adults. Congratulations to St Vincent's Amateur Boxing Club who triumphed on the day and gorgeous little Olive the Knight stealing everyone's hearts and winning the Fancy Dress competition.

A wonderful day was had by all and we are thankful to everyone who volunteered on the day, not to mention the fabulous entertainment we enjoyed from Chapelton Silver Prize band and the Everlasting Brothers tribute act.

Members of the Parish all had a wonderful day and we were inundated with praise for such a wonderful community event which was enjoyed by all who attended.

Community Clean Up Day in Chapeltown

Earlier this year we held a Community clean-up day in Burncross on the corner of Scott Way. This gave members of the Parish an opportunity to get rid of any rubbish or unwanted items in the heart of our community, helping our Parish to become a little neater and tidier inside and outside, while helping the environment along the way. Our next clean up day is due to take place in Grenoside, keep your eyes peeled on our socials for more information.

Ukrainian Refugees Mayoral visit

A party of Ukrainian Refugees from the local area visited the Lord Mayor of Sheffield, Councillor Sioned-Mair Richards, at her parlour in Sheffield Town Hall. The visit was organised by Ecclesfield Parish Council and officers and Councillors from the Parish Council were also in attendance.

School Uniform Swap Shop open day - A storming success

Back in March we held our School uniform swap shop open day and gave away over 200 pieces of school uniform to parents with children attending different schools across the Parish. This not only saved these parents £100's but also helped us to be a little more environmentally friendly by reusing existing items, rather than over consuming new ones.

Easter Hamper and Meals for the vulnerable sprung out this Spring

We once again joined forces with Chapelgreen Community Hub and handed out Easter hampers to families who needed a little support over the

Easter holidays. Whilst also delivering meals to the isolated, helping them to feel a little more included within our community. Pictured below and right Community Coordinator Emma Collins and Administration Assistant Natalie Richardson.

NATURE CORNER

No Mow May

We will not be mowing the Council Office area for the duration of May to encourage biodiversity within our green space.

We would love to see pictures of your gardens across the Parish while you refrain from mowing for the month; along with any photos of our wonderful nature which is blooming to share on our socials. Just email them to emmacollins@ecclesfield-pc.gov.uk

Leave the mower in the shed for a month - Mother Nature will love you for it!

Ecclesfield Parish Council new Neighbourhood Police drop in hub

Our Neighbourhood Policing team will be starting to use our Chambers. They will be using this as a local community base to work from and increase visibility in the area. If you see them there, pop in for a chat or keep an eye on their socials #SheffieldNENPT for other events.

Wednesday walk-about around the Parish

We joined our local Police team, members of Sheffield City Council and Sheffield City council officers on walks around different wards in the Parish to meet with members of the public and talk through different aspects of Parish life.
