**2023/07 (EP)**

**Item 07: To receive an update on various projects and activities.**

- Consider the dates and locations of the next Community Clean up – The Clerk informed the Committee that the Parish Council intends to have 4 community clean up days this year in those wards that have not had one. He was looking to have at least between 1-2 before this summer. The locations being in either Grenoside, Burncross, Ecclesfield and Thorncliffe. The Clerk would ideally like to

	<p>have the next community clean up in Burncross in late June/early July. Cllr Susan Davidson said she would get in touch with Burncross Community Centre to see if their grounds could be used for the next community clean-up day.</p> <ul style="list-style-type: none"> <li>• Ecclesfield Parish Gardening Competition – The Clerk informed the Committee the annual Ecclesfield Parish Gardening Competition is being held again this year. Nominations are to be in for Friday 30<sup>th</sup> June and the judging will be held week commencing 10<sup>th</sup> July. Cllr John Housley and the Clerk will do the judging but were looking for at least another. It was suggested that Councillor Michael Morrissey might be willing to help. It was confirmed that posters would be distributed in the Parish and will be uploaded onto the Facebook and Website pages.</li> <li>• School Uniform Swap Shop – The Clerk reported that significant changes would need to be made to this successful project. This was because, as of 2021, the Government requires all schools to have arrangements in place so that second-hand school uniforms are available for parents to acquire. This announcement, while not unwelcome, creates an issue for the Parish Council as rules require that it cannot provide nor subsidise a service that another statutory body is legally required to provide. As of consequence transitional arrangements had been introduced including as of 15<sup>th</sup> September 2023, the Parish Council scheme would no longer accepting branded items i.e. with school logos on. It would still provide generic school uniform items for parents.</li> </ul>
<p><b><u>2023/08 (EP)</u></b></p>	<p><b><u>Item 08: NALC consultation – PC1 Infrastructure Levy.</u></b></p> <p>The Clerk gave a verbal report on this Government consultation which is about how the proposed infrastructure levy (which it is intended will largely replace Section 106 agreements and the Community Infrastructure Levy), should work to make sure developers pay ‘a fairer share’ for local infrastructure and affordable housing. This included the proposal that town and parish councils should continue to receive the neighbourhood share (15% or 25% if they have a neighbourhood plan). It was agreed that the Parish Council should respond specifically supporting the retention of the neighbourhood share.</p>
<p><b><u>2023/09 (EP)</u></b></p>	<p><b><u>Item 09: Correspondence</u></b></p> <ul style="list-style-type: none"> <li>• WHP Telecoms Ltd – Planning Consultation – Greengate Lane, High Green. This item was discussed under item 2023/06 as per the planning application received in 23/01370/TEL.</li> <li>• Land for Residential Development – Pack Horse Lane, Sheffield, S35 3HY. Information received was noted by the Committee.</li> <li>• WHP Telecoms Ltd – Planning Consultation – Station Road, Chapeltown.
