Hi Andrew

Nice to talk to you this morning.

Just an update on the above for the next Finance Meeting on 21st September 2023.

As mentioned in my previous email, TCS are waiting for the project to be processed and completed in order for an invoice to be paid. Last Thursday, 7th September, Amie Rowlands from Parks and Recreation met up with David Ogle and John Brownrigg along with Lightmain, who will be doing the work, in order to finalise measurements etc. The hope is that that this work will be carried out in the next 4-6 weeks. Once all work has been done and paid we will complete a monitoring form along with proof of payments made.

Kind regards - Anthea

Secretary - TCS
