Subject: Re: Grant monitoring form - Chapelton Hockey Club

Good afternoon Andrew,

As per our previous conversations, I am drafting this email to give your committee an update on the grant award of £4171, kindly given to us in February of this year.

The money was requested to assist in helping us improve the MUGA (Multi Use Games Facility) at the Carribbean Club where our "growing" Junior section train every Sunday. The initial intention was to liaise with The Carribbean Club, (who are guardians of the site), once the official season had ended in April and start looking at quotes / contractors in order to commence work through the drier months of the summer. Unfortunately, due, primarily to a large change in personal at committee level at both Chapelton HC and the Carribbean Club (including new chairpersons at both clubs), this process was somewhat delayed beyond our initial expectations.

Our new chairperson, Rachel Gillott, finally managed to meet up with the new chairperson of the Carribbean Club mid August to discuss the improvement plans and seek approval for the work to commence.

The work was authorised by both parties and the Carribbean Club asked that we used their preferred contractor to carry out the work.

A quote for the work was duly requested late August and this quote was received and approved by both parties in the last week of August.

Work is due to commence the second week in September and should take no longer than 2 weeks to complete (weather permitting)!

The quote was provided by 4orest Services as follows:-

- (1) Build two concrete bases for siting of the existing dug outs and installation of the dug outs
- (2) Purchase and fit kick boards to internal perimeter of the MUGA
- (3) Gravel area around the MUGA to prevent mud ingress
- (4) Install astro turf to the entrance of the MUGA to prevent mud ingress

Quote Breakdown:-

Digger Hire: £240.00

Materials: £1590.00

Labour: £1280.00

TOTAL: £3110.00

On a very positive note, the quote has come in under the original estimate and this leaves £1061 left of the grant monies.

We would ask therefore whether the parish would allow us to contribute these excess funds

towards our new kit requirements for the coming season?

I attach a copy of some of the items we have committed to which include socks, ladies shirts and goal keeper kit. The list totals just over £1500

You will notice that there is a large order for socks!

The reason for this is that for the first time this year we are looking to provide all our new and returning junior members with a "Welcome pack".

As a club, we have decided to give each child a pair of club socks for them to keep and use throughout the season FOC.

We hope that the above information gives you a valid update as to where we are in the process and how we intend to spend the grand funds awarded?

We are genuinely sorry that the MUGA works could not have been completed sooner but we are confident that this work will be all sorted before the end of September and our juniors will benefit greatly from the improvements for the remainder of this season.

We would be more than happy to attend your next meeting in person if you feel this would be beneficial and would like to thank you for your continued support of our club.

Kind regards

Jason

Treasurer - Chapelton HC

Total cost is: £135.95 + VAT.

We can arrange a sample no problem at all, we will need to charge for a sample and this would be £6 p/u and £6.95 delivery – EX VAT.

Please let me know if you would like to proceed?

Kind Regards,

Tom
