

# Great News For Angram Bank Skate Park

Thornecliffe Community Sports (TCS) has secured £12,500 from the High Green and Thornecliffe Ward grant pots of Ecclesfield Parish Council.

The grant will be used to refurbish and re-site a second large Half Pipe at Angram Bank Park. Whilst on site the contractors will also make repairs to the existing ramps.

TCS Trustees, working with the Parks & Countryside Service and with the kind cooperation of the Friends of Oxley Park, through upcycling have saved the public purse approx. £30k (cost of new Half Pipe).

We hope you enjoy the improvements!
