Community Skip day - thank you Jumaira Spice

Above pictured left to right: Clerk Andrew Towleron, Community Coordinator Emma Collins, Chairman Cllr Susan Davidson, Admin Assistant Natalie Richardson and Cllr Michael Morrissey.

We were so pleased to report that our skip day was a great success. With the help of the Jumaira Spice restaurant in Ecclesfield, we helped Parish residents get rid of so many unwanted items which filled a 20 yard skip on a very wet Saturday morning in March.

Parish Families - Exhibition celebrating famous families from the Parish and a personal family tree research day

On 24th February, Ecclesfield & District Archive held a famous family exhibition in the Community Room next to the Parish Council offices. It was a roaring success and allowed people to view the history of families from the past as well as speak to experts who helped them research their family trees. We hope to hold another event later in the year. Keep your eyes peeled on Facebook @ecclesfelddistrictarchive and the website @ecclesfield-district-archives.com

Nature Corner

Spring is springing in the Parish! Plant for pollinators - we need them. Wildflower seed balls are great for this and really easy to plant.

Our Bee squared project is also up and running. This is aimed at helping residents increase wild flowers which are bee friendly, and therefore encourage the bee population to grow.

Please contact communityevents@ecclesfield-pc.gov.uk to get hold of some seeds.

Consultation begins on Draft Ecclesfield Parish Neighbourhood Plan

The draft Ecclesfield Parish Neighbourhood Plan is ready for formal consultation and residents and other stakeholders are being invited to comment on it. The Neighbourhood Plan is a really important document as outlines a vision for Ecclesfield Parish and includes planning policies and proposals which will guide the future development of the Parish. The draft Plan, supporting documents and updates may be viewed on the Parish Council website at [Ecclesfield Neighbourhood Plan - Ecclesfield Parish Council \(ecclesfield-pc.gov.uk\)](http://EcclesfieldNeighbourhoodPlan-EcclesfieldParishCouncil.ecclesfield-pc.gov.uk).

Paper copies of the draft Plan and accompanying documents are also available to view at the Parish Council Offices and other locations.

Ecclesfield Primary School buries their treasures

Above: Children from Ecclesfield Primary School Foundation stage planting their time capsule with teacher Rebecca Pilling and Ecclesfield Parish Council Chairman Susan Davidson

All schools in the Parish received a time capsule to mark the Parish Council's 125th year, slightly belatedly due to covid. All schools have been encouraged to fill theirs and bury them to show future generations what our Parish was like in the early 2020's.
