Public Participation Session

Prior to the commencement of the meeting, the Chairman of the Council, Councillor Susan Davidson, presented an award to the Grenoside Litter Pickers "*in recognition of the beautiful green spaces they have created and maintained, championing the environment and helping make Grenoside a lovely area for the community*".

An opportunity was then provided for members of the public to ask any questions of the Council. Two residents enquired about an under utilised area of land in the Ironstone Estate, Thorncliffe which they considered could be more beneficially used as a play area, park or similar, especially as the provision of recreational facilities in the area was limited. It was confirmed that the land was in the ownership of Sheffield City Council. Councillor Alan Hooper (in his capacity as Chairman of the North Sheffield LAC and City Councillor for the area in which the site is located) offered to meet with them on site, together with Sheffield City Councils Park's Manager, to discuss options for the land, which was welcomed.

Reference was also made to the condition of the footpath next to this area of land. Councillor Rob Reiss agreed to look into this especially as he had previously raised concerns with officers of Sheffield City Council, as the Sheffield City Ward Councillor for the area, about the condition of footpaths in the local area.

Draft minutes are subject to approval at the next Full Council meeting.
