

Public Participation Session

Prior to the formal commencement of the meeting, there was an opportunity for members of the public to ask questions. There were two members of public in attendance who asked questions, in particular expressing their opposition to the planning application to be considered at item 2024/8 (planning application 23/00394/FUL, Land Between 94 and 98 Wheel Lane, Grenoside, Sheffield, S35 8RN).

Draft minutes are subject to approval at the next Full Council meeting.

He explained that the formal (Regulation 14) consultation was underway on the draft Plan and associated design code – an invitation to comment had been sent out to developers, statutory consultants and others.</p>

2024/8 (EP)

Item 8: Planning Application 23/00394/FUL Land Between 94 and 98 Wheel Lane, Grenoside, Sheffield, S35 8RN

The Chairman, Cllr Dr. John Bowden brought this item forward as two members of the public, who had come specifically about this item, were in attendance

It was explained that the Parish Council had been notified by the Planning Inspectorate about an appeal in relation to the above planning application.

The members of the public and Committee were disappointed that it had gone to appeal, as it has already been granted planning permission with several conditions attached to it.

The Committee comments are below.

“I am writing to express Ecclesfield Parish Council’s strong objection to the proposed amendment to the conditions attached to the original approval.

This was attached to the original permission for sound reasons. Reasons we consider remain valid and much needed. Indeed, what we have seen and heard have underlined their importance.

If allowed, it would have an adverse impact on the amenity of the occupiers of the development and the surrounding area not only in terms of highway safety but also other important considerations including light pollution. The site is on a busy road, where there are already unacceptable and dangerous highway and safety pedestrian issues, particularly speeding. This was underlined by a recent road survey undertaken by Sheffield City Council, which underlined that speeding is common.

We also note that several objections have been received from nearby residents who are strongly opposed to the removal of the condition objections we fully support.

We see no sound planning or other reasons why the condition should be removed or varied.

For these and other sound reasons, the appeal should be dismissed.”

The above was uploaded to the Planning Inspectorate Portal.

2024/9 (EP)

Item 9: Date and time of future meetings

The next:

- Environmental Planning mid-month Delegated Powers Committee Meeting is to be confirmed.
- Environmental Planning Committee Meeting is scheduled for Thursday 11th July 2024 at 6.30 pm at the Council Offices, High Green.

These were noted by the Committee.
